Bent Tree Traditional Home with Main Level Living

This custom built home offers you the convenience of one-level living with lots of space both up and down for guests or for occasional activities. The large comfortable living room has a large stone fireplace, a pass thru to the kitchen and direct access to the Dining Room, Sun Room and Master Suite. The Master Suite is oversized and has both a jetted tub and shower along with dual vanities. The Sunroom opens the entire back of the home to the Western sky and fantastic sunsets. The upper level has two large bedrooms and a full bath. On the lower level is your large garage, another full bath and a large room which could be an office, den or in-law or teen suite. Decks wrap around three sides of the home and a large patio / deck is tucked into the woods on the North side of the home. Beautifully landscaped outside and carefully maintained inside and out, this home is move-in ready. Located just seconds from the golf course and close to all other amenities. The side drive allows for direct access to the garage or to the front of the home for unloading on the main level. Includes a 1 Year Home Warranty.
